

Chicago Clearing Opt-Out Letter

Dear Clients,

In an ongoing effort to best serve our clients, effective June 1, 2013, we have engaged Chicago Clearing Corporation (CCC) to provide class action litigation monitoring and securities claim filing services on behalf of our clients.

We recognize this is an area that has been increasing and we wanted to provide our clients with an opportunity to pursue these class action litigations in a convenient manner.

As your Investment Advisor, we recommend utilizing the services of CCC to assist with the proliferation of securities class action litigations and the complexities of the claim filing process. We believe it is critical to employ CCC's services to maximize your potential recovery of these claims.

CCC's sole business is securing class action claims. CCC monitors each claim you have, collects the applicable trade history and documentation (beneficial owner name and tax identification), interprets the terms of each settlement, files the appropriate claim form, interacts with the administrators and distributes your award on your behalf. They charge a contingency fee of 20%, which is subtracted from your award when the award is paid.

If you choose to participate in this service, you authorize us to appoint CCC to file securities class action claims on your behalf. We will be required to provide private information to CCC to assist with the class action suit research. Please be aware that if you DO NOT "OPT-OUT" of this service, we will be providing this information on your behalf.

As a valued client, we are pleased to provide this service to you, but we want to provide you the opportunity to "OPT -OUT" of this service if you choose. *If you OPT-OUT, CCC will not monitor any class action suits from which you may be entitled to awards. CCC will not process any claim forms on your behalf. You are entitled to pursue any securities claims yourself.*

If you choose to OPT-OUT, please sign the following page and return this to us within 14 days of receipt. Otherwise we will include you in this new service.

Thank you for the opportunity to serve you.

Respectfully,

Mark Pearson
